

Name: _____

The Science of Aging

Lesson Title: *Aging 1: The Science of Aging*
Page 2 of 2

Part 2

Review the information in the section called **Aging All-Stars** (<http://www.pbs.org/stealingtime/allstars/allstars.htm>), part of the Stealing Time series on PBS Online .

Complete the table to discover lessons about aging from the lives of Mehli Mehta, Ernst Mehr, and Mary Fasano. Then, be prepared to present your findings to the class.

	Mehli Mehta	Ernst Mehr	Mary Fasano
Age and occupation or main activity			
Background and early career information			
Key factors that contribute to keeping them young			
Physical aspects of their lives or other activities			
Mental aspects of their lives or other activities			
What has changed or become more difficult in their lives as they aged?
