Chain Reaction

http://ecokids.earthday.ca/pub/eco_info/topics/frogs/chain_reaction/index.cfm#

1. Are plants always at the bottom of the food chain?
2. You learned that plants are considered producers in a food chain and animals are considered consumers. What is the difference between these roles?
3. How do plants or producers make their own food?
4. What is photosynthesis?
5. How do plants grow? How do animals grow?

The Cycle of Life I

Lesson Title: The Cycle of Life I: Food Chain

Page 3 of 3

Name: _____
