

## Stay Fresh

Lesson Title: Food Preservation

Page 1 of 5

Name: \_\_\_\_\_

For this activity, you should observe the tomatoes your teacher has provided. One of the tomatoes will be kept in a refrigerator and the other tomato will be left out in the classroom at room temperature.

Observe each tomato every day for five days in the classroom. Write down and draw what you see each day in the space provided on this student sheet.

Day 1

	Tomato in Refrigerator	Tomato at Room Temperature
Write		
Draw
