Lesson Title: Marine Sanctuaries

Page 1 of 1

Name: _____

Now that you have seen the posters prepared by your classmates, answer the following questions about marine sanctuaries.

- Which marine sanctuary is most like the one that you presented? Which one is most different?

- Name several things that each of the marine sanctuaries have in common.

- Write a sentence describing the relationship of humans to marine environments.

- How would you describe the overall mission of the Marine Sanctuaries Program?

- What do you think might happen to some of these marine environments if they are not protected?
