

My Rock

Lesson Title: Rock Hunters

Page 1 of 1

Name: _____

1. Draw a picture of your rock. Try to make your drawing the same shape as your rock.
2. Color your picture the same color as your rock.
3. How many paper clips fit around your rock?

4. Draw your paper clip chain. You should draw the same number of paper clips that fit around your rock.

5. Now that you have weighed your rock, compare your rock to the other rocks you collected. Are the other rocks lighter or heavier than your rock?
